training code: IREB-FL-e / ENG_DL / EN

IREB Certified Professional for Requirements Engineering Foundation Level - online

Training recipients

The exam is intended for individuals who wish to structure their knowledge and formally validate their competencies in the field of requirements engineering.

Benefits

A structured approach to knowledge. A certification that is highly valued on the job market.

Expected preparation of the participant

No prior preparation is required; however, individuals with practical experience in business or systems analysis have a higher chance of passing the exam.
It is recommended that candidates be familiar with the semantics of the following UML diagrams: class diagrams, state machines, use case diagrams, and activity diagrams.

Language

Training: **English**

Duration

1 days / 1 hours

Examination method

Exam Information

- **Number of questions:** approx. 45
- **Duration:** 75 minutes
- **Passing score:** minimum 70%
- **Exam format:** Online

Scheduling the Exam

To schedule an exam date, please contact a representative of **Altkom Akademia**.

We kindly ask you to schedule your exam carefully. According to the provider's policy, the following cancellation fees apply:

- **50% of the exam fee** if canceled **between 30 and 7 days** before the scheduled exam date.
- **100% of the exam fee** if canceled **less than 7 days** before the exam.

Language Selection

The language of the exam must be selected **at the time of ordering**.

It cannot be changed after the order is placed.

Candidates who are taking the exam in a language **other than their native language** may apply for a **time bonus**.

To request extra time, an appropriate document confirming the candidate's native language must be submitted **at the time of ordering**. Later requests cannot be accepted.

Certificate

The certificate is issued in **PDF format** and sent to the email address provided during registration, within **4–6 weeks** after the exam date.

Minimum Technical Requirements for Online Exams

- A computer or laptop with a working **webcam and microphone**
- **Google Chrome** browser installed
- A **valid photo ID** (e.g., national ID card, passport)
- A **tablet or smartphone** with a camera and the exam app (details provided in the exam instructions)
- A **stable internet connection**

All registered participants will receive detailed instructions from the exam provider (available in the **Virtual Classroom**) describing how to prepare, what rules apply, and what is **prohibited during the exam**.
