training code: SAP / Learning HUB / EN

SAP Learning Hub

The redesigned SAP Learning Hub is a digital learning solution that supports learners in building and maintaining SAP software skills. It provides guided, expert-led, and hands-on learning opportunities to enable upskilling across the SAP solution portfolio. Learners also get access to all the enablement they need to become and stay certified with four certification exam attempts per year included in the subscription.

Training recipients

Designed for organizations running SAP software, looking to keep their team up-to-date with the latest SAP solution skills.

Benefits

Upskill, reskill, and certify skills in one place, with access to all the SAP learning resources you need to succeed.

- Expert-led live sessions
- Hands-on practice systems
- Four SAP Certification exam attempts per year to get and stay certified
- Learning analytics and management capabilities

Learn faster with a redesigned learning experience
One engaging, easy-to-navigate learning destination for any role and skill level. Quickly find the learning content you need with enhanced search and discoverability.

Training program

Included:

- Expert-led live sessions covering deep dives and preparations to stay certified.
- Access to hands-on practice systems to experiment with solutions.
- Four SAP Certification exam attempts per year and access to enablement and assessment to keep certifications valid.
- Learning analytics capabilities to support individual and team management.

Expected preparation of the participant

SAP Learning Hub provides access to learning resources and learning journeys across the SAP solution portfolio for various skill levels, from foundational through advanced. The subscription supports learners with guided, self-paced content and hands-on practice to build and maintain SAP software skills.
