Contracts and Conditions in SAP Contract and Lease Management for SAP S/4HANA

- Participants of this course will understand contracts (such as Lease- in and Lease-out contracts, service contracts etc.) and contract conditions in SAP Real Estate Management. Furthermore, the participants will understand the posting processes related to contracts (e.g. periodic posting) and also become familiar with the most important configuration settings for contracts and contract conditions in SAP RE.
- Learners will practice the setup and use of the main capabilities for contracts in SAP RE. In case that a learner has a focus on SAP Contract and Lease Management and contract valuation, all the applications that are taught in this course are relevant and valid for them.

Odbiorcy szkolenia
